Zheng Mo 鄭默 (213–280) *Zhongjing* 中經

Xun Xu 荀勗 (?–289) *Zhongjing Xinbu* 中經新簿

Li Chong 李充 (?–?; fl 322–325)

*Jin Yuandi Sibü Shumu* 晉元帝四部書目 [317–322]

# Significance of these changes

- Reduction to Four Classes => Imperial Power, the cosmological implication of four = completeness

# Significance of these changes

- Reduction to Four Classes => Imperial Power, the cosmological implication of four = completeness
- Meanwhile introduction of a separate class for administrative texts

# Significance of these changes

- Reduction to Four Classes => Imperial Power, the cosmological implication of four = completeness
- Meanwhile introduction of a separate class for administrative texts
- Historiographical works „closer“ to the Classics => Confucian officials in charge of historiography claim increased importance

# Significance of these changes

- Reduction to Four Classes => Imperial Power, the cosmological implication of four = completeness
- Meanwhile introduction of a separate class for administrative texts
- Historiographical works „closer“ to the Classics => Confucian Officials in charge of historiography claim increased importance
- With Confucius as author of the *Chunqiu*, this is a „construction of tradition“ for the imperial administration
