CATALOGING TRAINING

- **Descriptive cataloging: AACR2 vs. RDA**
 - Has subscription to RDA Toolkit
 - Create RDA records starting summer 2013
- **Authority control:**
 - Create AAPs in bib records following RDA
 - Verify AAP in LC/OCLC name authority file
- **Subject heading and classification**
 - Has subscription to LC Cataloger's Desktop
 - Assign LC classification and subject headings

CIBTC CATALOGING TEAM

- Young and energetic
- Smart, eager to learn, quick to comprehend
- Willing to take any training opportunities
- Team spirit are strong and positive
- Know when to ask questions and ask good questions
- Willing to take constructive feedback
- Work in pair (Some of them become seasoned catalogers and share their knowledge and experience to newbies)

ISSUES AND CHALLENGES IN SUSTAINING CATALOGING QUALITY

- Adding more shelf-ready clients
- Increasing cataloging workload
- Meeting timelines
- Each client has different local customization
- Limited staffing resource
- Limited practice time on original cataloging or subject cataloging
- Contracted catalogers assigned subject headings sometime too general, not deep/specific
