# Le Grand Ricci Online

BRILL

- The most comprehensive, up-to-date dictionary of Chinese into a modern Western language. Though it covers the whole history of Chinese language development, most of the dictionary deals with early and imperial period Chinese language usage. Explanations and translations are in French. Special rates available to Couperin members.
- *“Le Grand Ricci has established itself as an indispensable reference tool. Now available online, and easily searchable, its functionality has only further increased. It is difficult to imagine any scholar in Chinese studies who will not eagerly welcome this new digital incarnation of the Le Grand Ricci.”* Wilt L. Idema. Research Professor of Chinese Literature, Harvard University

Entries can be looked up:

- by Chinese character
- by romanization (pinyin) *with or without tones*
- by radical (*Kangxi or simplified*) and the number of additional strokes
- by total number of strokes (*of the simplified or traditional forms*)
